## Directions to Trosnant

- 1 Leaving the Herb Garden Cafe, walk along the alleyway beside the Co-op supermarket and across the car park.
- 2 When you reach the main road, cross to the pavement on the far side and walk over the railway bridge.  
Follow the pavement downhill towards the small roundabout opposite The Gwalia.
- 3 At the Gwalia roundabout, turn left and walk along Park Terrace.  
At the end of Park Terrace, the road ends and the footpath continues into the Rock Park.
- 4 Cross the footbridge that goes over the stream and follow the footpath through the Park.
- 5 Take the long straight footpath to the left that runs along the bottom of the former playing fields.
- 6 The garden gate for Trosnant is just at the point where the footpath turns to the left. There will be a sign on the gate.
